

***Calculate your carbon footprint!***

***Visit the site: [zerofootprint.net](http://zerofootprint.net) for easy ways to reduce your impact on the environment. You can compare your carbon footprint to others and begin to see ways that you can reduce your carbon footprint. Take the 0 challenge and reduce your footprint by 10 percent. If three million of us do this, we'll accomplish the environmental equivalent of planting and caring for 91 million tree seedlings for ten years or removing 690,000 cars from the road.***
