

## HERITAGE MIDDLE SCHOOL PTSA

In efforts to create more interest and support for our PTSA fundraising, we are hoping this overall list of fundraisers will help our families become more aware of things we can do to support the programs and activities for our students. Remember that all the money we raise goes back to your children and their school. The more support we can achieve the more events and extras we can provide to all our children. The majority of the Middle School fundraising can be done at home. Please help support your school with these programs and make the 2009/2010 school year a great success.
