Returning Student Registration
2017-2018 School Year**

Registration will begin online on Monday, July 31, 2017 at 8:00 am through the InfoSnap Portal in Power School.

Please access our online registration system to enter and/or verify information for each of your children planning to attend a District 100 school or preschool program.

The registration link is...

On-site/in person registration will take place at your home school on:

August 9th from 7:00 am to 2:00 pm

August 10th from 12:00 pm to 7:00 pm

For students that are in preschool and those that attend a school outside of the district, registration will take place at LaVergne Education Center, 3401 Gunderson Avenue.

You can also access this link on our website www.bsd100.org under the enrollment tab.

Each parent/legal guardian will receive an email that will contain their child's snap code to enter for their account.

Guardians have the ability to upload proofs of residency to your child's profile. If you are able to enter/verify your child's information, upload the required documents and pay the fees with a credit card, you will not be required to come to school for our on-site registration! Upon verification of documents and payment of any outstanding fees, your registration will be complete.

If we determine that your registration does not meet the requirements, you may be asked to resubmit new documents or you may be asked to come to the on-site/in person registration on August 9th or August 10th where we will have computers available for the online registration and staff available to accept cash or checks for fee payments and to collect/verify proofs of residency.
