

Bringing BSD100 Back 2021-22 BSD 100 Expectations:

The School District will return to pre-COVID school attendance days and times. School events will take place as scheduled and as allowed by state guidelines at the time of the event.

- 1. Academic:** All students should be at school for in-person learning unless they are quarantined or sick.
- 2. Masks:** All persons, regardless of vaccination status, must wear a face mask while in BSD100 buildings and on buses.
- 3. Hand Sanitizer/ Disinfectant Wipes:** General good hygiene will continue to be promoted and PPE will be provided in all buildings.
- 4. Water Fountains/Fill stations:** Water fountains will be turned off but the fill stations will be available for use.
- 5. Cleaning:** Custodians will provide appropriate daily cleaning and disinfecting to provide a clean and safe environment. The District has EPA – approved air filters and cleaning solutions.
- 6. Physical Distancing:** Physical distancing will be implemented based on IDPH guidelines.
- 7. Meals:** All buildings will return to normal meal options and students will be socially distanced as much as space allows. Specific locations will be determined on a building by building basis.
- 8. COVID-19 Testing:** Binax-NOW antigen testing will be available at all schools for symptomatic students and staff.
- 9. Quarantine:** Quarantine is subject to specific situations and vaccination status of all staff, students and visitors involved. The CCDPH will make the final determination on quarantine.
- 10. Vaccination Status:** In order to determine close contacts and potential quarantine, a copy of the vaccination card should be submitted to the school nurse for all vaccinated students and staff.
