I am unable to obtain the required vision examination because:

 My child is enrolled in medical assistance/ALL KIDS, but we are unable to find a medical doctor who performs eye examinations or an optometrist in the community who is able to examine my child and accepts medical assistance/ALL KIDS.

 My child does not have any type of medical or vision/eye care coverage, my child does not qualify for medical assistance/ALL KIDS, there are no low-cost vision/eye clinics in our community that will see my child, and I have exhausted all other means and do not have sufficient income to provide my child with an eye examination.

 Other undue burden or a lack of access to an optometrist or to a physician who provides eye examinations:
