

# BIKE & ROLL TO SCHOOL DAY

## Registration Open!

The 13th annual National Bike & Roll to School Day is May 8, 2024, and [registration](#) is now open!

### Benefits

- Healthier habits by promoting physical activity
- Cleaner environment by reducing air pollution, with the benefit of lowering costs associated with school commuting
- Teaches traffic, bicycling, and pedestrian safety skills
- Promotes safer streets by decreasing traffic congestion, highlights the importance of accessibility, and promotes maintained pedestrian infrastructure
- Builds a stronger sense of community
